I saw intake medical personal, who refused to accept me, due to the serious medications I was taken for serious medical needs. I informed M.C.C. medical Dept. of serious medical concerns and outside care that I was presently under. I have Hep C. Neck injuries, right shoulder, liver damage, and chronic pain problems. From past multiple serious injuries. Doctor Lucy order some test, that showed some of my medical needs, but still refused to treat. From 4-17-08 to 7-11-08, than I was transferred to GEO. I also inform the Medical Dept. GEO. Nurse Hall informed me, I would have to suffer and she wasn't concerned with my serious medical needs. After weeks of severe pain, I fell-out in Court and was taken to Alvarado Hosp., returned with medications, strong enough to relieve the pain, But Doctor Grabbash refused to give it to me. I informed her of my pain levels where very high, that I had a tumor in my side my C-3-4-45-5-6 was injured. Along with the need for treatment for Hep C, and liver damage. which I never recieved, and still going through neglect, and refusal to be seen, or obtain records. If Doctor Lacy and Grabhash had followed proper process in medical care, the plaintiff would not be suffering. If defendants had not shown deliberate indifference, and lack of care, the plaintiff would have received proper care.

If proper procedures were followed regardless to Admin. Policies, the plaintiff would not be suffering.

Counselor Cassel deliberately refused legal copies, legal indigent mail and documents, conspired with Medical Admin. Mr. Trautmann, to stop grievance procedure + care

Ms. Trautmann deliberately lied to plaintiff, about getting outside records, or ensure that plaintiff received proper medical care.

F. Demand for Jury Trial

G. Consent to Magistrate Judge Jurisdiction

In order to insure the just, speedy and inexpensive determination of Section 1983 Prisoner cases filed in this district, the Court has adopted a case assignment involving direct assignment of these cases to magistrate judges to conduct all proceedings including jury or bench trial and the entry of final judgment on consent of all the parties under 28 U.S.C. § 636(c), thus waiving the right to proceed before a district judge. The parties are free to withhold consent without adverse substantive consequences.

The Court encourages parties to utilize this efficient and expeditious program for case resolution due to the trial judge quality of the magistrate judges and to maximize access to the court system in a district where the criminal case loads severely limits the availability of the district judges for trial of civil cases. Consent to a magistrate judge will likely result in an earlier trial date. If you request that a district judge be designated to decide dispositive motions and try your case, a magistrate judge will nevertheless hear and decide all non-dispositive motions and will hear and issue a recommendation to the district judge as to all dispositive motions.

You may consent to have a magistrate judge conduct any and all further proceedings in this case, including trial, and the entry of final judgment by indicating your consent below.

Choose only one of the following:

☐

Plaintiff consents to magistrate judge jurisdiction as set forth above.

OR

☒

Plaintiff requests that a district judge be designated to decide dispositive matters and trial in this case.
